Face Jail

GEORGE F. POWELL

George F. Powell, London, British Social Credit expert and advisor to the Alberta Social Credit Board, and Joseph H. Unwin, M.L.A. for Edson and chief Social Credit party whip, must serve the six and three month jail terms with hard labor imposed on them by Mr. Justice W. C. Ives on charges of publishing defamatory libel.

Their appeals against convictions on these charges were dismissed by the Alberta appeal court in unanimous judgment handed down Monday by Chief Justice Horace Harvey.

Both Must Go To Jail

The decision of the court being unanimous steps appeal to a higher tribunal, and both convicted men must spend their sentences in jail.

Unwin was found guilty by a supreme court jury and was sentenced to serve three months with hard labor by Mr. Justice W. C. Ives, who stated in passing sentence, he had taken into consideration the recommendation for leniency made by the jury. Appeal from sentence was taken also by Powell, but the appeal court dismissed it.

Deportation Powell Recommended

Powell was found guilty by Mr. Justice Ives and sentenced to serve six months with hard labor. His deportation also was recommended.

Formal notice of the dismissal of the appeals will be filed by George H. Steer, K.C., private prosecutor, with the appeal court registrar on Monday afternoon, who will thereupon proceed to issue the warrant for commitment.

Charges Arose Out Of Publication

The charges against Powell and Unwin arose out of publication of a pamphlet in which nine prominent Edmonton business and professional men were described as "Bankers' Toadies." Included in the nine were D. M. Duggan, M.L.A. for the Alberta Conservative party, and Major-General, Senator W. A. Griesbach, C.M.G., D.S.O., V.D., K.C., who laid the information which resulted in the arrest of Powell and Unwin.

Leaflet Published In September

The leaflet was first published in the Alberta legislature on September 30 last, copies being left on members' desks.

Mr. Duggan, Conservative member for Edmonton, asked that the pamphlet be referred to the house committee for privileges to determine its authorship.

Investigation Into the Publication and Authorship of the Leaflet Followed Immediately.

Arrests Made In October

On October 2 Detectives Frank Kingzett and Mardo Munro, city police, raided the Social Credit League's headquarters and also the printing shop of Armstrong and Cousins. Copies of the leaflet were taken from the League's headquarters.

Mr. H. Parke, K.C., lawyer, Canadian Bank of Commerce, President, Edmonton Liberal Association.

Libel In Form Of Single Pamphlet

The libel, as printed in the appeal court judgment, was in the form of a single pamphlet on one side of which was printed: "Bankers' Toadies." "My child, you should never say hard or unkind things about Bankers' Toadies. God made Bankers' Toadies, just as He made snakes, slugs, snails and other creep-crawly, frothy-headed and poisonous things. Never, therefore, abuse them—just exterminate them. And to prevent all evasion demand the result you want, \$25 a month and a lower cost to live."

On Reverse Side Of Pamphlet

On the reverse side of the leaflet was printed, under the heading "BANKERS' TOADIES," the following names: S. W. Field, K.C., lawyer for the Mortgage and Loan Companies of Canada, President of the People's (1) League; H. H. Parke, K.C., lawyer, Canadian Bank of Commerce, President, Edmonton Liberal Association.

H. R. Milner, K.C., Lawyer, Royal Bank of Canada and Canadian National Association, president, Edmonton Conservative Association.

J. F. Lymburn, K.C., Lawyer, Bank of Montreal, People's (1) League.

G. D. Hunt, Investment Broker, United Canada Association.

L. Y. Cairns, K.C., Lawyer, Dominion Bank of Canada, member of Conservative Executive.

G. W. Aupier, Lawyer, National Trust Company, Secretary People's League.

W. A. Griesbach, K.C., Lawyer, Represents several companies.

D. M. Duggan, Investment Broker, People's League, Provincial leader, Conservative party.

Exterminate them. And to prevent all evasion, demand the result you want, \$25 a month and a lower cost to live.

Son of Princess Royal Now Becomes Eton Boy

HON. GERALD LASCELLES

Hon. Gerald Lascelles Will Have To "Fag" Just Like Others

LONDON, Feb. 7.—Hon. Gerald Lascelles, younger son of the Princess Royal and the Earl of Harewood, has become an "Eton boy," like his brother.

He entered the famous school at the spring term. His elder brother, Viscount Lascelles, has been there two years. The youths have no special privileges at Eton and Gerald will have to "fag" (fetch and carry) for one of the senior boys, George Henry Hubert, Viscount Lascelles, will be 15 on Feb. 7. Gerald Davis is 13.

Their early education was supervised by their mother, the Princess Royal, who taught them both their alphabet and simple arithmetic. Later they were sent to Ludgrove, a preparatory school at Harrow.

Like their mother, they love the country and spend much of their holiday riding or walking with her in the grounds of the family estate in Yorkshire.

They follow the hounds and have been duly "bowed." This consists of the blood of a freshly killed fox being smeared on their faces by the huntsman.

When the youths have finished at Eton they will go to the Royal Military College at Sandhurst to be trained for the army.

PAIR FOUND GARROTED IN PARKED AUTO

Strangler's Cord Still
Wrapped Around Neck
Of Woman

NEW YORK, Feb. 7.—(Semi-nude) the garroted body of a young woman with the strangler's cord still wrapped around her neck and that of a dead man at her side, was discovered Sunday by a 15-year-old boy strolling along the bay shore in a remote section of Brooklyn.

Police commissioner Lewis J. Valentine said detectives found evidence in the car of a terrific struggle.

The victims were identified as Mrs. Christine Oliver, 24, mother of two children, and Nina Columbo, 41, also married and the father of two children, well-known in Brooklyn as an amateur golfer. A set of 14 clubs was found in the car.

Mrs. Catherine Columbo of Brooklyn identified the dead man as her husband and said he had been missing since last Friday. She said she was unable to account for the slayings.

The husband of the dead woman said police he had never seen Columbo before and was not aware that his wife knew him.

Mrs. Catherine Columbo of Brooklyn identified the dead man as her husband and said he had been missing since last Friday. She said she was unable to account for the slayings.

The double slaying was discovered when James Hagan, 15, noticed the woman's stockinged legs sticking out from the rear door of the car.

He found a large new oilcloth, five feet square, covering both bodies and blood-stained lengths of lace and silk cloth coiled around the woman's neck and three times around the neck of her male companion. The man had \$15 cash in his pockets.

There were at least two slayers, Commissioner Valentine said after inspecting the crime scene. "and it is evident that both victims were picked up, forced into the car and driven to the spot where they were killed."

The woman was nude from the waist down. Both bodies were battered and riotous. The blood-spattered appeal was found on the floor.

EVACUATION OF BARCELONA IS PLAN OF REBELS

IRUN, Spain, Feb. 7.—The Spanish insurgent regime at Salamanca has proposed establishment of an international commission to evacuate the civil population of Barcelona to prevent death and injury to "innocent" residents of the temporary Spanish government capital.

The insurgent suggested evacuation be removed to nearby villages which General Franco's bombers would respect as neutral. Barcelona, the insurgents asserted, contained more than 150 military objectives.

At least 900 persons have been killed at Barcelona by insurgent air raids in the last five weeks.

ALL PURPORTED CANCER CURES TO BE PROBED

TORONTO, Feb. 7.—Premier Hepburn said last night that at the next meeting of the Ontario cabinet he would propose the question of procedure involved in setting up a special committee of competent scientists to investigate purported cures for cancer.

Barely we can find power somewhere to set up such a committee and bring this difficult, but very serious situation to an end," Mr. Hepburn said.

Commenting upon the decision of the College of Physicians and Surgeons which Saturday refused to recognize Dr. J. E. Holt of Kitchener because he refused to divulge the contents of a formula of a purported treatment for cancer, the premier said:

"I cannot conceive of anything more brutal or inhuman than the repeated action of Dr. Holt in refusing to reveal the formula of his cure. If it is as valuable to suffering humans as he represents it to be."

JUDGMENT OF THE HONORABLE CHIEF JUSTICE HARVEY

This is an appeal, coupled with an application for leave to appeal, from a conviction by the jury, after verdict by a jury of publishing a defamatory libel knowing the same to be false. The libel was in the form of a single printed leaflet on one side of which were the following words and figures:

BANKERS' TOADIES

"My child, you should never say 'hard on' and 'kind things' about Bankers' Toadies just as He made snakes, slugs and other creep-crawly, treacherous and poisonous things. Never therefore, abuse them—just exterminate them."

And to prevent all evasion the result of this you want, \$250.00 a month and a lower rate to live."

On the reverse side are the following words and figures:

The point is one of considerable

difficulty but it does not seem

necessary to express any opinion

one way or the other for the dis-

the case evidence from which the

jury could make the necessary in-

true or false in other words, the

libel was or was not a "snakes,

slugs and other creep-crawly, treacherous and poisonous things."

The evidence in this case shows

that all the nine men libelled

the appellant was a member of the

Reorganization of Railway Commission Is Moved

BODY TO RULE TRANSPORT IS CHANGE ASKED

Resolution by Hon. C. D. Howe Revives Previous Similar Proposal

OTTAWA, Feb. 7.—Reorganization of the Board of Railway Commissioners, which would become a "transport commission" with jurisdiction to cover ships and aircraft as well as railways, promises to be the major item of government legislation to go before the House of Commons this week.

This measure, forecast in the Speech from the Throne, is the subject of a resolution placed on the order paper by Transport Minister Howe, following a similar move initiated in the Senate last session, but unfortunately from last year's to this it does not stand the probability of being introduced.

TRANSFORMING DEBATE

Introduced in the Senate last February by Senator Standish, the bill was defeated on third reading after a rather stormy session in committee. That measure was to establish a board of transport commissioners for Canada with authority in respect of transport by railway, ships, aircraft and motor vehicles.

Mr. Howe's new resolution, upon which it is intended to pass a bill, is as follows: "That it is expedient to introduce a measure conferring authority upon a transport commission to regulate and control the transport of passengers and goods by railway, ships and aircraft, and to fix the rates and charges, and to regulate and control other matters incidental thereto."

FRIENDLESS BILL

When the transport commission bill was reported back in the Senate after consideration by committee last year, and after numerous interested parties had been heard, Mr. H. H. Arthur Meighen, Conservative leader in that chamber, described it as "the most friendless bill I have ever seen come before parliament."

Legislation and the proposed to be exercised over shipping was amended in committee to be restricted to inland waters and excluded the maritime provinces and the province of Quebec. Numerous members opposed the idea of licensing and controlling rates for transportation on the great lakes and other inland waterway control within jurisdiction of federal authorities entered would be limited to about 15 per cent of all highway traffic.

Nova Scotia Is Committed To Central Tax

HALIFAX, Feb. 7.—The Nova Scotia government also committed Saturday to introducing centralization of taxation. Premier Angus Macdonald explained the province's stand to the House of Commons in Ottawa.

The government felt by the Dominion government over central income, corporation and inheritance taxes, many of the income and income tax measures of the present system would be overcome.

Pickaback Plane In Double Takeoff

ROCHESTER, England, Feb. 7.—Great Britain's revolutionary "Pickaback" plane took off in the midair for the first time Sunday. The test in which a plane was launched from the back of a larger one that had taken it into the air—was made from water near Rochester. The planes took off as one aircraft came down as two in tests preparatory to using the planes in trans-Atlantic service.

The two pilots remained in telephone contact with each other until at 700 feet they simultaneously pulled levers, releasing a device that held the smaller plane on top of the larger one.

The inventor, Major R. H. Mayo of Imperial Airways, was delighted with the result.

The purpose of the invention was to enable planes heavily loaded with mail and gasoline to be launched in midair for long flights without taking takeoffs from ground level.

It is to be used on Atlantic flights over the route ending in Montreal.

The Chinese army is withdrawing to positions near Nanking, approximately 30 miles north of Peking, for a renewed defence of the 100-mile corridor along the Longhai railroad and that separates the Japanese zone of conquest in north and central China.

ONLY ONE WITH TWO
The Hawks, however, counted two of their own in the well period when Phil Thompson and Nels Nielsen, brought in by the Hawks from Kansas City, scored. Despite goalie Mike Karkas with five goals.

The defeat was doubly costly for the already injury-ridden Black Hawks. Al Weber, defenseman, was bowled over in a collision with Eddie Shore early in the game and an exhaustion, dislocated arm and a fractured leg, which will keep him out of play for several weeks.

The game was deferred nearly 20 minutes late in the second period when Johnny Gottlieb, Black Hawks wing, was banished for misconduct.
